

PARTNERSHIP ORGANIZATIONAL CHART

Community Partners - Support the efforts of the partnership by receiving e-mail updates and participating in annual event(s) as available. These partners do not attend regularly scheduled meetings.

Action Teams – Members support the efforts of the partnership by attending monthly meetings, and actively participating in regularly scheduled events and programs by offering planning and development support.

Steering Committee – Members support and guide the partnership by offering input and suggestions. Members meet quarterly and communicate in between meetings as needed.

Healthy Haywood Coordinator and Haywood County Health Department Staff – Oversees daily operations of the partnership and serves as lead communications coordinator between community partners, action teams and steering committee.
