☐ **Vaya Behavioral Health Crisis Line 800-849-6127 (available 24/7)**

For persons experiencing crisis situations due to mental health challenges, alcohol or drug use, an intellectual disability, or a traumatic brain injury.

For situations involving Hoarding, Bio-Hazard clean-up of blood or body fluid, fire extinguisher residue, or Meth labs, there are a few companies in the area that provide services. Searching online for your location and the service you need addressed should connect you with a local company who will be able to carefully and respectfully clean the space using the required standards
